

MULTIPLE ACCOUNTS POLICY

In order to ensure a level playing field for all sellers and buyers on our website, www.auzaro.com does not allow or condone multiple accounts for the same person(s), etc unless governed by our rules which allow for multiple employees of the same buyer company to use the website to enhance their buying experience. However, we do allow multiple companies owned by the same person(s) to list as multiple sellers or buyers on our website.

www.auzaro.com reserves the right to delete those accounts which violate the policy above.
