

MRP BRIDGE POLICY

Auzaro.com believes in authenticity of products, pricing and transparency for the customer. In view of the same, the MRP price shown by any seller for any product listed on auzaro.com should be correct and true as per the Original Manufacturer or as governed by the Government rules concerning the local taxes/duties if any. The discount shown to be on this price only. Seller should not inflate prices to show a higher discount. Wrong pricing of the products is also not acceptable.

In the event any incorrect product pricing is shown on www.auzaro.com, we reserve the right to remove those products from our website.
